The town site of Pine Island covers &
includes the south west quarter and
the south half of the north west
quarter of section thirty two (32) in
Township one hundred and nine
North of Range fifteen (15) West of Fifth
Principal Meridian and contains
240 Acres.

Main Street and its parallel run
North & South with a variation East
5° 35'. All other streets run East and
West with the same variation. Main
Street and Washington Street are each
80 feet wide; all other streets North of
the fenders are each 60 feet wide; all
streets south of the fenders excepting
Main St. are each 40 feet wide; all
Alleys are each 10 feet wide. The num-
bered blocks north of the fenders are
300 feet square including alleys, and
are subdivided into lots 60 feet front by
140 feet deep. The numbered blocks south
of the fenders are each 330 feet north &
south by 264 feet East & West including
alleys and are subdivided into lots
60 feet front by 140 feet deep excepting the
south tier of blocks which are only 230 feet
North & South. The dimensions &
subdivisions of the platted blocks
are correctly marked upon the
map
